DETAILED ACTION

REASONS FOR ALLOWANCE

1. Claims 1 – 3 and 13 – 18 are allowed.

2. The following is an examiner's statement of reasons for allowance:

(A) Claims 1 – 3 and 14 – 18 are previously allowed (see previous Office action for the reasons for allowances).

(B) Claim 13 is allowed in this Office action, because:

The prior art of record does not teach or suggest, either singularly or in combination, at least a vacuum chuck table having a porous plate and a suctioning device for sequentially introducing a suctioning force into suction passages at different timing. Shuzo (JP 06-143,073) teaches a vacuum chuck table having a porous plate and a suctioning device, but Shuzo does not teach the suctioning device for sequentially introducing a suctioning force into suction passages at different timing as set forth in claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
